Keeping healthy in your life

Keeping healthy is important for everyone. To stay healthy, it's important to eat healthy food like fruits and vegetables. Doing sports like running or playing football can also help keep your body fit and strong. Healthy habits like washing your hands regularly and getting enough sleep can help prevent illnesses.

-

The power of honey

Honey is a sweet and delicious food, but did you know it also has healing powers? Some types of honey contain things that can help to kill bacteria and heal wounds. It's used to treat cuts and burns. Honey can also heal my sore throats and coughs. It has an amazing power to heal.

"By the banks of the ancient River Nile, Egyptian houses had a special style:"

- Write about the houses in ancient Egypt and draw them.

In Ancient Egypt, people made their houses near the Nile. They used mud bricks to build their houses. The mud bricks made their houses strong. They painted their houses white to make them cooler . The houses in Ancient Egypt had flat roofs. They ate , cooked and slept on the roofs. The furniture was different from now.
